Cancún and climate talks – state of play

Paula Lehtomäki
Minister of Environment
17 Nov 2010

-
-
- Difficult year for climate negotiations
 - Attacks on the IPCC's credibility
 - US climate legislation

-
-
- Positive developments as well

- REDD+ partnership
- Partnership on MRV
- Advisory group on financing
- Fast start finance pledges

-
-
- Cancún: balanced package of decisions?
 - REDD+, adaptation, technology?
 - Progress on mitigation and on MRV?
 - Continuation of Kyoto Protocol?

**CHALLENGE NOT GOING AWAY -
TACKLING NOW MORE URGENT
THAN EVER**

A photograph of a large white wind turbine on a small, snow-covered island. The island is surrounded by dark water, and the foreground is covered in a thick layer of snow. In the background, another smaller wind turbine is visible on a distant island. The sky is a clear, pale blue with a few wispy clouds. The text "Thank you!" is overlaid on the right side of the image in a large, black, sans-serif font.

Thank you!
